

### Strut Clip

#### Product Specifications

**Material:** Steel

**Finish:** Corrosion-resistant finish

**Dimensions (W x H x L):** 0.5" x 0.5" x 3"

**Selling Unit:** Bag of 50

ITEM NUMBER	DESCRIPTION
VBT-STC-B50	Strut Clip

#### Description

Designed for fast, secure cable tray installations, this strut clip provides a reliable connection between wire basket tray and standard Unistrut channel. Engineered from durable, corrosion-resistant steel, the clip locks the basket tray firmly in place to prevent shifting, vibration, or sagging.

Tool-free installation reduces labor time while maintaining a clean, professional appearance. Compatible with standard strut profiles, the clip is ideal for data centers, electrical rooms, telecommunications infrastructure, and overhead cable management installations.

- Securely fastens wire basket tray to Unistrut channel
- Compatible with all wire basket tray sizes
- Quick, tool-free installation
- Helps maintain cable organization and system stability
